PLAN FOR MEETING

Suffragists Select Delegates to Convention.

CHEERED BY ELECTION NEWS

Mrs. Belva Lockwood Makes Address on Adoption of Universal Suffrage in State of Washington and Predicts Even Greater Success in Election Two Years Hence.

Delegates to the annual convention to be held in this city before December 1 were elected last night by the District Woman's Suffrage Association at its regular meeting at 1823 H street northwest, as follows:

Miss Hariett Hifton, Mrs. Helen R. Tindali, Mrs. Belva Lockwood, Mrs. C. W. McNaughton, Miss Nettle L. White, Mrs. Delia Wheeler, Mrs. H. C. Cook, Mrs. Mary B. Shuman, Mrs. Jennett Bradley, Miss Audrey Goss, Mrs. Carrie E. Kent, Mrs. Charles M. Pepper, Miss Esther Mayher, Mrs. Julia Leavitt, Mrs. R. B. Ezekiel, Mme. Porter, Mrs. Mary Talbot, Miss Martha Hopkins, and Mrs. M. V. Noorr. An executive Committee. Talbot, Miss Martha Hopkins, and Mrs. M. V. Noorr. An executive committee meeting next week will fix the time and place of meeting for the convention.

Greater Success Assured.

Mrs. Julia Leavitt, president of the as sociation, called the meeting to order and a brief business session was held preceding the programme of the evening. Mrs Belva Lockwood read a paper on "Woman's suffrage as affected by the election.' and stated in brief what the women voters had to do with the election in those States where woman suffrage is

As a sign of the growth of the cause, State where this condition exists South Dakota and Oklahoma are still in doubt, she explained. "But if these States fail to pass the amendment," Mrs. Lockwood said, "there will be but little doubt of the results at the next elections,"

C. D. Seals, an organizer of the American Federation of Labor, who was the next speaker, told of the conditions of ganize an association among them, aiming at their development and betterment.

Mrs, Howe Eulogized. articles written by Mrs. Howe, mostly on the suffrage question, were read by Mrs. Della Wheeler, Mrs. C. W. Mc-Naughton, Miss Gertrude Lashmutt, Mrs. A. E. Wood, and Miss Hifton.

LARGEST BRIDGE OVER THE MISSISSIPPI OPENED.

GREAT MISSISSIPPI BRIDGE DEDICATED

Built by Traction Interests at Cost of Millions.

St. Louis, Mo., Nov. 10.—The new Mc-the negroes were raised by Democratic Kinley Bridge, the largest spanning the people, slept in Democratic cribs, and ate Mississippi River, was formally dedicated to-day with imposing ceremonies. Gov. Hadley, of Missouri, and Gov. Deneen, of Illinois, were the central figures especially in the West, Mrs. Lockwood in the exercises. The other participants told of the successful passage in Wash-ington State of the amendment to the the mayors of numerous cities on the State constitution granting women full Illinois side of the river, and representa-suffrage, thereby making it the fifth tives of many commercial organizations. tives of many commercial organizations. Speech-making, parades, and fireworks were features of the programme.

The new bridge was constructed at a

cost of \$3,000,000 by the McKinley traction interests, controlling large interurban railway lines in this section.

Trade and travel between St. Louis and the great industrial districts on the other the common workers, men and women, side of the river have been handicapped to the ground and painfully injured short-in the District and of his efforts to or- for many years by the so-called bridge by before 12 o'clock Wednesday night to erect a municipal bridge. The designs vehicle were made and accepted by the commit-Eulogies of Mrs. Julia Ward Howe tee in charge, but Congressman W. B. were given by various members, includ- McKinley and his associates of the Illiing Judge G. A. Leavitt. Poems and nois Traction Company anticipated the articles written by Mrs. Howe, mostly city officials and broke the monopoly by constructing the great bridge which had

its formal opening to-day.

The franchise by which the Illinois Traction Company was permitted to build the bridge and its double-track entrance into the heart of the St. Louis business district, thus making possible through interurban service and electric freight and express service, does not permit any trary charge for bridge traffic. The direct revenue from the bridge therefore, must come from the 5-cent fares of the local street car service and the interurban fares based on 2 cents a mile. Some additional revenue, of course, will be received from the tolls charged foot passengers and team traffic moving over the roadways at either side of the electric

Mississippi River, having a carrying cawas brought to this city Wednesday from each side. It stands between the two old of this post.

The bridge proper consists of three 500-foot spans, 75 feet above high water, and the supports are 82 feet above the floor. The piers rest upon bedrock 70 feet below

The bridge was designed by Ralph Modjeska, who superintended its construction, beating all records. Modjeska is a son of the famous Polish actress, and designed the great bridge over the St. Lawrence

at Quebec, which will cost \$15,000,000. M. J. CLAGETT ARRESTED.

Taken Into Custody on Charge Disorderly Conduct.

Maurice J. Clagett, a clerk in the office of the tax collector at Linden, Md., and well known among Maryland politicians, was arrested yesterday afternoon

on a charge of disorderly conduct. He accompanied Canady, without resistance, and declared his attempts to be admitted to the Maus home were made only in an effort to make friends with the family Clagett was removed to the First preunder surveillance. The police feared the man would attempt his life.

Clagett has been arrested before for nnoying Miss Mary B. Maus, daughter of O. S. Maus. The young woman said Gayle, driver of an auto delivery wagon he had annoyed her and followed her that ran over and instantly killed three- about the streets, threatening to take her year-old James Douglass Brady, 610 Fif-teenth street northeast, at Fifteenth and Clagett was placed in a cell at the Sev-H streets northeast, Wednesday, of all blame in connection with the child's death.

Clagett was placed in a cell at the Seventh precinct station he attempted suitable amount of rainfall for the twenty-four hours ended at 8 p. m. yesterday, are as follows: dropped. Clagett is forty-nine years old, married, and resides with his family Linden.

CHAMBER POLITICS

Mr. Lamkins made some timely sug- Two Candidates for Presidency Now in Field.

The identity of the next president of the Washington Chamber of Commerce food furnished by Democratic people daily becomes more a matter of specula-before the war, and while he was of the tion. Names are placed in candidacy overnight and as rapidly withdrawn when Grant, the treatment they had received at the hands of the Republican party did not warrant them in pledging their vote friends. The fight for honors in this weeks progress, with the election yet two months away.

Two names were yesterday, by declaration of the candidates, placed in nomination. Fifty members of the Chamber met yesterday at noon, and placed the boom of Capt. James F. Oyster to the fore. The Oyster partisans elected a permanent chairman and other officers and will wage an eloquent campaign up to the moment of election.

Later in the afternoon several friends of W. V. Cox obtained from him an adoad, between Sargent and Queens Chapel mission that he was willing to enter the The automobile was driven by race, and no less an enthusiastic boom L. Carter, who escaped injury. was begun in this direction. Mr. Cox Pfluger also escaped with a few bruises, has long been known as an active worker but when Mrs. Pfluger was removed to for the Chamber, and his candidacy will receive the indorsement of a large, num-

Callahan Dark Horse.

According to the gossip of some of those in the Chamber who profess to be G. M. McNeider, of West Raleigh, N. C., well informed, the dark horse of the race H. P. Agee, of Audobon Park, La.; J. S. will be D. J. Callahan, and they predict will be D. J. Callahan, and they predict that while his name will not be at the Washington; O. M. Shedd, Lexington, fore in the early campaign, the eve of Ky.; L. F. Kebler and J. C. Haywood, election will see him the strongest can- both of Washington.

didate in the field. So far Mr. Callahan has steadiastly refused to commit himself on the question of his candidacy. He is being strongly urged, however, by many of his oxygen helmets similar to those used in mine rescue work, which may be used by those endeavoring to escape from a submerged submarine and coming to the surface.

Tracks.

CHEMISTS IN SESSION

Scientists Elect Officers for Coming Year.

SMOKER AT THE COSMOS CLUB

Secretary of Agriculture Wilson Will Address Convention This Morning on Behalf of National Government-Dr. Wiley Advocates Lime Wash as Insecticide.

After an arduous day's session disussing the whats and the what nots of chemistry, 150 members of the Association of Official Agricultural Chemists attended a complimentary smoker last night at the Cosmos Club, as the guests of the Chemical Society of Washington.

Prior to the smoker the business meetng of the society was held for the elecion of officers. Eighty ballots were cast for the following officers, who were

President, W. W. Skinner; first vice president, J. A. Le Clerc; second vice president, Reld Hunt; secretary, H. S. Balley; treasurer, F. P. Dewey; councilors, P. H. Walker, W. D. Bigelow, IS WAXING WARM and S. M. Acres. Owing to the lateness of the hour, the election of four members of the executive committee postponed until the next meeting of the

Soils Discussed.

The convention of the Official Agricultural Chemists opened yesterday morning at the Raleigh Hotel, when President W. A. Withers, of Raleigh, N. C. called the meeting to order.

The morning session was devoted to discussions of soils and fertilizers. Valtable papers on these subjects were read. C. H. Jones, of Burilington, Vt., and C. R. Moulton, of Columbia, Mo., read representative body of Washington business men bids fair to wax hot as the in all its phases. E. L. Baker, of Geneva, N. Y., read a paper on potash, and another on soils, prepared by J. G. Lipman, of New Brunswick, N. J., was read by Mr. Catheart, on account of Mr. Lip-

Secretary of Agriculture Wilson will address the convention at 9:30 o'clock this

morning. At the afternoon session, Dr. Harvey W. Wiley, permanent secretary of the association, talked on the use of nonpoisonous insecticides, advocating lime wash to kill insects, instead of dangerous copper and arsenic. The latter, he said, was especially harmful as a medicine, and was responsible for the ultimate paralysis and death of hundreds yearly. The remainder of the afternoon was given over to an informal discussion of various chemical properties. The annual address of President Withers will be made this morning, when Secretary Wilon will be the guest of the convention.

Among those scheduleed to read papers G. Cavanaugh, of Ithaca, Rogers, of this city; C.
